

**NORTHPOINT**  
Health & Wellness Center Inc.

**amazon**smile

You shop. Amazon gives.

## Alexa, donate to NorthPoint.

Do you shop on Amazon? Of course you do, what were we thinking?! This Black Friday and Cyber Monday, we hope you'll buy your holiday gifts through AmazonSmile and designate NorthPoint Health & Wellness Center as your charity of choice. Amazon will then donate a small portion of your purchase back to us. It's free to you, compatible with Prime and .5% of the purchase price of eligible products is sent to NorthPoint (when you select it as your charity) to support our important work in the North Minneapolis community. Help make a difference in our racial justice and health equity work every time you have the itch to shop!

The more you shop, the more you're giving back! **Score deals. Support NorthPoint.**

Here's how it works:

1. Go to [AMAZONSMILE](#) to log in or create an account
2. On the "Select a Charity" page, search NorthPoint Health & Wellness Center and select
3. You may choose to download AmazonSmile so that you will go directly there when you shop

That's it! Once you have selected NorthPoint as your charity of choice, .5% of each purchase you make will come back to us. Imagine how quickly this will add up as more and more of our friends sign up.

So what are you waiting for? Let's go shopping!

### AmazonSmile in the Amazon Shopping App

You can now support your favorite charity on iPhone & Android phones.
